THE PROJECT

For the realisation of this exclusive new boutique development of 10 attached villas, a plot of land with beautiful sea, golf and mountain views has been chosen by the promotor. It consists of 10 attached villas with 4 bedrooms, 3 or 4 bathrooms, 1 or 2 toilets and an office or can be used as a laundry room. The corner villas have their own gardens and private saline chlorination swimming pool. The central villas have the swimming pool on the roof terrace. The open and functional spaces are undoubtedly the protagonists of the houses, they connect us with the terraces and their beautiful views of the sea, golf course and mountains.

THE ARCHITECTURE & DESIGN

The architecture seeks maximum expressiveness by combining three materials. The white facade brings us closer to an environment of sun and beach, combined with the dark grey stone generate spaces of greater depth, the vertical elements of imitation wood aluminium will give that tone of warmth that can be appreciated in the images. Materials with very low maintenance that make these facades not only a striking vision, but also coherent with the environment.
