ADRASAN

PERFECT NATURE

Adrasan

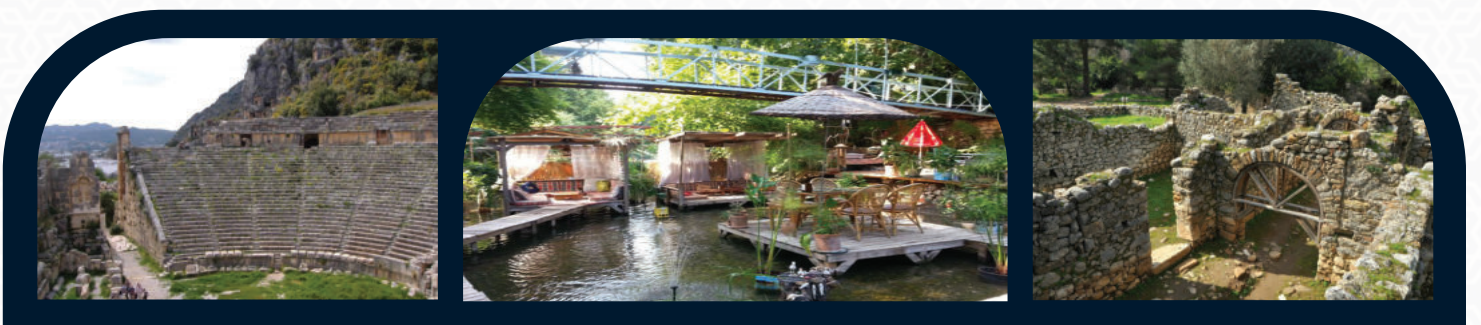

Located 90 kilometers south-west of Antalya, the beautiful

coastal town of Adrasan is the ideal destination for those seeking to relax in a natural setting. With its paradisiacal pace and its long sandy beach, the beautiful comes snuggling between the turquoise waters of the Mediterranean and the green pine forests of the Taurus Mountains. Do not be surprised if you hear some refer to the city of Adrasan under the name of Cavuskoï. This is actually his real name. However, it is little used and you call it Adrasan or Cavuskoï, you will be warmly welcomed by its inhabitants!

LOCATION

Chance

People who can make vacation here are to be envied, people who can live here especially, because Adrasan touches with its originality, the beautiful nature, its liveliness and its rural charm, but above all the breathtaking panorama of the mountains and the bay.

Experience historical sights, attractive excursion destinations, art and culture, exciting events and lots of sport and wellness. Adrasan is located at the foot of the Taurus Mountains in the middle of a 2 km long and protected bay.

The Bay of Adrasan is an almost deserted place on the picturesque coast south of Kemer until May. There is no mass tourism here and the beach is freely accessible to all visitors. From June to September there are local and foreign bathers who can enjoy a beautiful beach.

The sea in the bay slopes gently and is pleasantly warm even before the start of the season. You can swim in it from April to November. The ancient former pirate town is surrounded by pine forests, mountains and valleys, bays – all around a fascinating nature with rare plants, herbs and animals.

The famous Lycian Way also passes here. During a hike, discover the fragrant gardens with many tropical fruits and the many wild herbs.

The center of Adrasan is 5 km away – the beach is 850 m away and can be easily reached on foot.

Here you will find a selection of cafes, bars and restaurants as well as a few mini markets. The daily boat tours to the famous water island and diving boats to travel into the interesting underwater landscape also start from here.

If you want to experience Adrasan from the air, you have the opportunity to fly from the local mountain with a paraglider.

The water restaurants on the river are legendary. Not only is it nice to sit there, you will also find a wide variety of national and international dishes.
