

This architectural drawing shows a cross-section of a building. A central staircase is depicted with multiple flights. Dimensions are provided for various structural elements: a horizontal span of 2.75, a vertical height of 3.30, a horizontal distance of 3.00, and a vertical height of 2.80. The drawing also shows a sloped roof structure on the right side, supported by a wall. The overall layout suggests a multi-story building with a central vertical circulation space.

[illegible]

Hand-drawn sketch of a road layout with dimensions. The sketch shows a road with a width of 7.97' on the left, a width of 9.0' at the top, and a width of 7.24' on the right. The road is divided into sections with dimensions 1.30' and 1.55'.
