

A hand-drawn architectural sketch of a two-story house. The house features a gabled roof with a chimney on the left side. The walls are light-colored, while the roof and some trim are shaded with purple hatching. There are four large, dark rectangular windows: two on the second floor and two on the first floor. A person wearing a yellow shirt and green pants stands in front of the house, holding a long, thin object. To the right of the house is a tall, thin tree with several dark, oval-shaped leaves. The drawing is done in purple ink on a light background.
