

The architectural site plan depicts a residential development. Key features include:

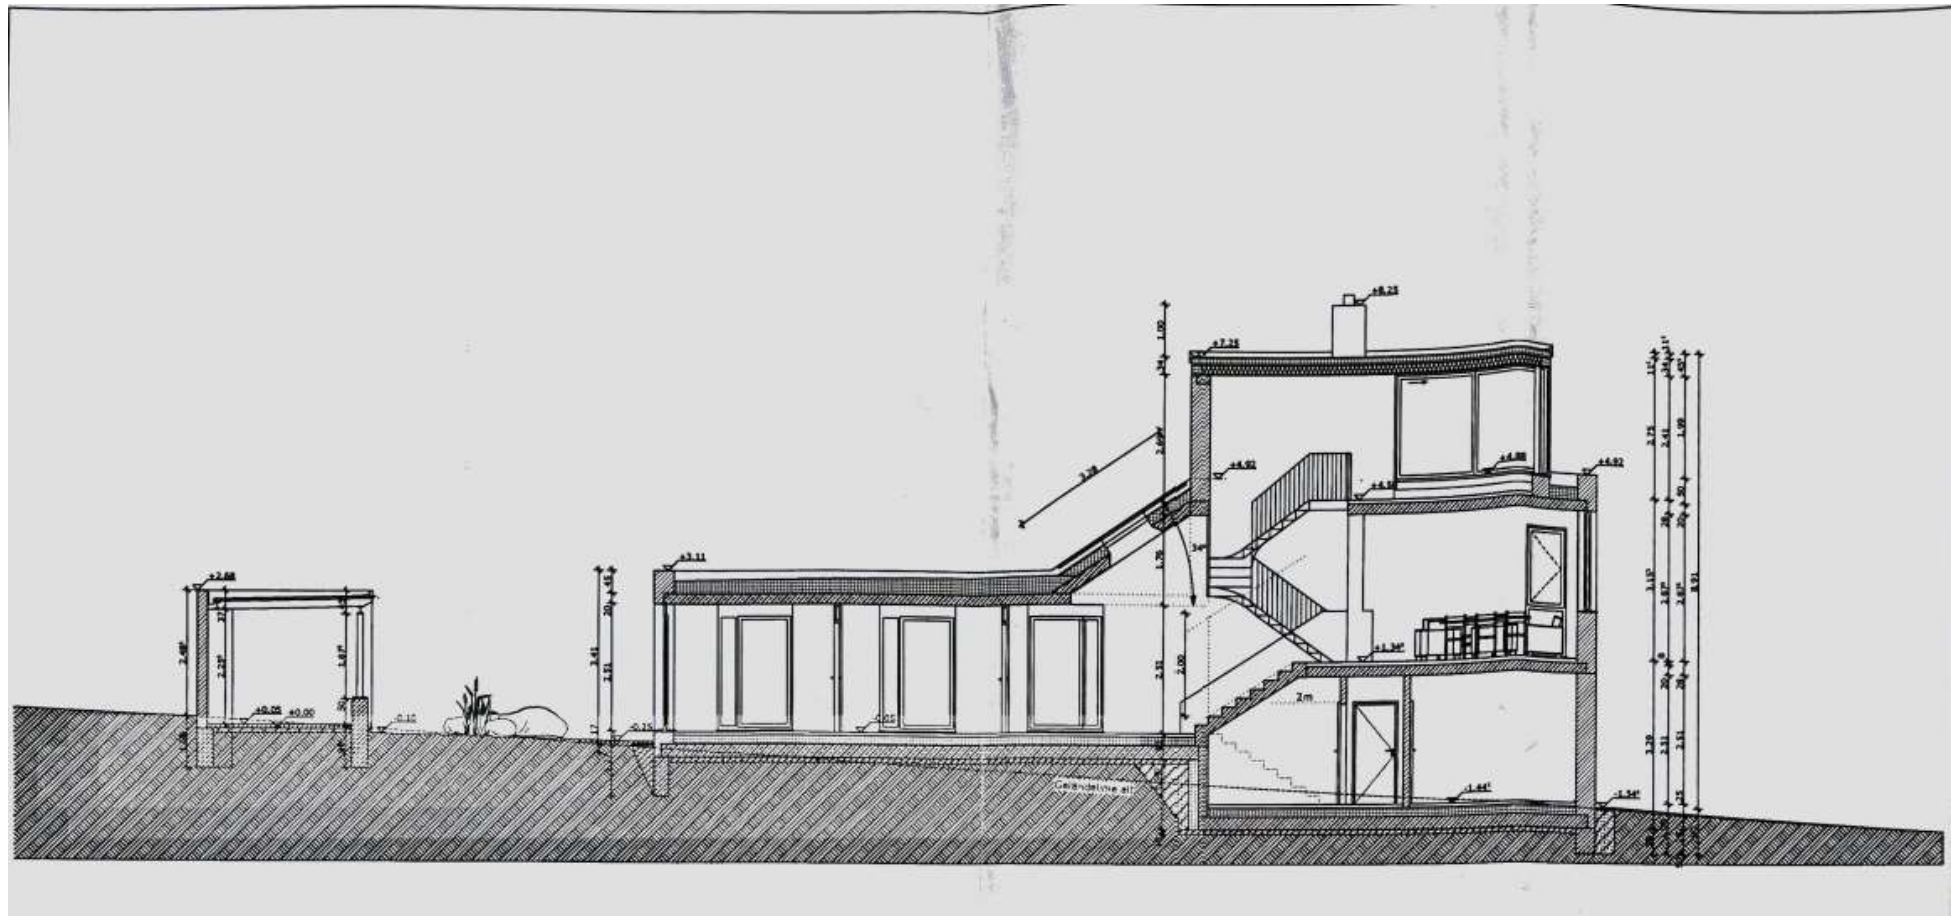

- Building Footprint:** A large, multi-room structure with various internal spaces, including a kitchen, living area, and bedrooms. The plan shows room layouts, furniture placement, and technical specifications for each room.
- Landscaping:** A central lawn area, a garden with trees and shrubs, and a parking area with two cars. The plan includes dimensions for these areas and specifications for the landscaping.
- Technical Details:** The plan contains numerous dimensions, elevations, and technical specifications for the building and its surroundings. It also includes a north arrow and a scale bar.
