The image shows a workshop or garage with a concrete floor and white walls. On the left, a wooden cabinet holds various items, including a broom hanging on the wall. In the center, a yellow metal shelving unit is filled with bags and containers. To the right, a workbench is cluttered with materials, and a white bucket sits on the floor. A ladder leans against the wall, and a heater is visible in the background. The overall scene is one of a busy, somewhat disorganized workspace.

Büro 3

A photograph of a hallway interior. On the left, a red door is partially open, revealing a brick wall. The hallway floor is made of light-colored square tiles. On the right, there is a plain white wall. In the distance, a bright outdoor area with greenery is visible through a glass door. The text "Ausgang zweiter Hallenzugang" is overlaid at the bottom.
