MAGNETIC ATTRACTION

A powerful territory and an icon of energy. When they come together, the supernatural happens. The land shakes, the land becomes alive. Tierra Viva Benahavís – Costa Del Sol, is an exclusive residential community of luxury villas, with design inspired by Automobili Lamborghini.

An architectural prodigy brought to life by DarGlobal, debuting for the first time in Spain.

THE MYTH

Founded in 1963, Automobili Lamborghini is the epitome of luxury super sports cars made of innovative technology and futuristic lines. An Italian excellence that is still based in Sant'Agata Bolognese where it all started.

The true essence of Lamborghini DNA is represented in this futuristic and elegant architectural project complemented with interiors inspired by the super sports car design, thanks to incomparable craftsmanship and passion.

Vibrant and attractive,
Costa Del Sol hosts tons of
stylish clubs, restaurants and
hotels, as well as shopping
areas, exclusive marinas and

GENIUS LOCI

The Ancient Romans believed some places had divine qualities, Tierra Viva is one of them. Nestled on divine hills outside Los Jaralillos, in the exclusive area of Benahavís, the property is located just 8 minutes away from Marbella and 5 minutes from the shores.

With 12 golf clubs, charming Andalusian villages and the stylish Puerto Banús in the surroundings, Tierra Viva offers a peaceful retreat in the middle of a vibrant community.

Automobili Lamborghini S.p.A.

Founded in 1963, Automobili Lamborghini is headquartered in Sant'Agata Bolognese, in the province of Bologna, and produces some of the most desirable super sports cars in the world. Still rooted in its historic headquarters in the heart of Motorvalley, Lamborghini is synonymous with the highest technological expertise in the design and production of engines with extraordinary performance. The design of each model has always been unique: the language of forms is visionary and ahead of its time.

Brave, unexpected and authentic: the three values of the Sant'Agata Bolognese brand are reflected in the three models in the range, the V8 engine with Super SUV Urus, the perfect combination of power, performance, comfort and driving versatility and two super sports

cars with naturally aspirated V10 and V12 engines, the Huracán and the Aventador successor, the newborn Revuelto, the starting point to the “Direzione Cor Tauri”, the hybridization and electrification of the whole Lamborghini range.

Automobili Lamborghini is today a global company with a balanced presence in the three macro-regions America, Europe/ Middle-East/Africa and Asia Pacific. Based on record commercial and financial results and in constant growth and with the support and passion of over 2,000 employees, Lamborghini is now aiming for an increasingly sustainable future, up to the introduction of a fourth model full electric, while still fully respecting the values and DNA of the brand.
