Architectural floor plan of a 1.5-story house. The plan includes a garage (Tiefgarage) on the left, a terrace (Terrasse), a balcony (Balkon), a bedroom (Schlafen), a hallway (Flur), and a bathroom (Bad). The plan is oriented with the front of the house at the top. A detailed section line is shown with elevations: ± 10.54 , ± 8.90 , ± 8.25 , and ± 2.89 . The section line indicates the ground level (0.00) and the levels of the terrace, balcony, and the top of the house. The plan also shows a legend for materials: Mauerwerk (Masonry) and St. Beton gemäß statik (Reinforced concrete according to structural requirements). A dimension table at the bottom provides the following data:
