

A high-contrast, black and white floor plan of an apartment. The layout consists of three main rooms: a bathroom (Bad) in the top-left, a bedroom (Schlafzimmer) in the top-right, and a living area (Wohnen) in the bottom-right. A central hallway connects these rooms, featuring a door to the living area and a window. On the left side, a staircase is depicted with a central vertical post and radiating lines representing steps. The walls are represented by thick black lines, and various architectural details like windows and doors are shown with simple geometric shapes.
